

## PRANAV SUNIL PATIL

7058454759 | pranavpatil020389@gmail.com | Pune, MH | <https://github.com/MR-PRANAV>

**PROFILE-** A passionate web developer skilled in Java-dsa, full-stack technologies, with a knack for building dynamic & user-friendly applications. Experienced in API handling, database management, backend optimization & version control, always eager to explore new technologies & enhance problem-solving skills - Lets have a lookup at Over-All...

### TECHNICAL SKILLS –

**PROGRAMMING LANGUAGES** – C | CPP | Java | Python

**FRONTEND** – HTML<sup>5</sup> | CSS<sup>3</sup> | Bootstrap | JS<sup>ES6</sup>

**BACKEND** – Node.JS | Express.JS | EJS | SQL | Mongo-DB | Mongoose | React (Ongoing)

### SOFT SKILLS –

API handling | Version control (GIT/GIT-HUB) | Terminal operation | AJAX | Node package management | Error handling | Session management | Environment variables | Middleware | Method override | Template engines | Static file serving | Asynchronous programming | Security: session security with cookies and secret keys

### ACADEMICS –

- Bachelor of Business Administration(Computer Application) | Sinhgad Collage of Science, Pune - CGPA: 7.77 | 2024.
- XII (HSC) | D.S. High School, Bhusawal - 54.50% | 2022.
- Government of Industrial Trainings Institute (GOVT.ITI) Bhusawal – 70.79% | 2021.

### PROJECTS –

#### □ Wanderlust Traveling Site (Full-Stack Web Application)

**Description:** Developed a full-stack travel web application that allows users to list, review, and manage properties. Implemented secure authentication, session management, and error handling.

**Technologies Used:** JavaScript, Node.js, Express.js, MongoDB, Mongoose, EJS, Passport.js, Express-Session, Connect-Mongo, Method-Override **Key Contributions:**

- Built RESTful APIs for CRUD operations on property listings and reviews.
- Implemented secure authentication using Passport.js & Express-Session.
- Optimized database queries to improve page load speed by 30%.
- Enhanced user experience by implementing client-side & server-side validation

#### □ Personal Portfolio Website

**Description:** Designed and developed a personal portfolio website to showcase skills, projects, and achievements with a fully responsive and interactive user interface. **Technologies Used:** HTML5, CSS3, JavaScript **Key Contributions:**

- Created a modern, mobile-friendly design with 100% responsive layout.
- Integrated dynamic JavaScript elements to enhance user interactivity.
- Showcased projects and social media links for professional networking.
- Implemented SEO best practices to improve site visibility.
- Live Portfolio Link: [https://mr-pranav.github.io/\\_mr\\_pranav\\_portfolio/](https://mr-pranav.github.io/_mr_pranav_portfolio/)

#### □ Additional Mini Projects (Grouped for clarity)

Developed multiple side projects to enhance technical skills:

Delta User System - A user registration system with role-based access-Backend

Event Management App - A dynamic event registration and management system-Frontend

To-Do App - A task-tracking application-Frontend

Simon Says Game - A JavaScript-based interactive memory game-Frontend

Netflix Clone - Built a Netflix UI clone using HTML, CSS, and JavaScript-Frontend

Spotify Clone - Created a Spotify-inspired music player with interactive UI-Frontend

## **EXPERIENCE –**

### **▣ FREELANCE & OPEN-SOURCE DEVELOPMENT (Present From - 2024)**

Contributed to open-source projects on GitHub, focusing on full-stack development.

Assisted peers and junior developers in debugging JavaScript & Node.js applications. Developed and maintained personal projects with real-world use cases.

## **POSITION OF RESPONSIBILITY –**

### **▣ Organizer & Speaker | SCOS (Sinhgad College of Science)**

Conducted web development workshops for 180+ students.

Delivered sessions on service-based vs product-based companies in tech.

Coordinated with guest speakers & team members to ensure smooth event execution.

## **ACHIEVEMENTS & HOBBIES & INTERESTS –**

### **▣ Achievements**

Active contributor to open-source projects. Organized tech workshops.

Led teams in event & project management.

National Service Scheme (NSS) volunteer – Participated in community service initiatives.

### **▣ Hobbies & Interests**

Exploring new technologies & frameworks.

In problem-solving.
